

## **SRFC 1st GOLF DAY**

**Thursday 22<sup>nd</sup> Nov 2007  
Fulwell Golf Club**

Firstly many thanks for those who took part and those drafted in at the last minute to make up the 15.

Early rain quickly cleared and come tee time at Fulwell, blue skies and light winds set the scene for a great day. Kevin Jones led the first three-ball scoring 35 Stableford points and securing third place. Household names from the 80's first team, like Ron Pettifor, Geoff Bryan and Dave Kilonback were all in contention.

John Hodgekiss, another ex-first team player tackled the job of handicapping the scorecards. It was the first tackle John had put in for a few years but his Fulwell members discount card knocked the bar bill down to size. Top table players like President Tony Brightwell and Club Secretary Kevin McMahon turned in respectable scores.

The wooden spoon was snatched from me by Dave Channon when he started playing one handed. However, family honour was restored when Dave's son Mark was declared winner scoring a massive 40 Stableford points. A Staines Massif drive from Shawn Terry secured the coveted longest drive cap. Nearest the hole is to be carried forward to the next match as the flag is still in Kevin's bag!

Excellent food at Fulwell and I received lots of positive feedback! Like 'bin the bacon rolls' and 'don't ask that bastard back'. The next event? I favour The Sheraton Pine Cliffs in Portugal ('cos that's where I am at the moment) failing that Surrey's Pine Ridge or the Lonesome Pine or whatever it's called.
